

Huntington's Disease Specialty Care

ZEARING HEALTH CARE CENTER

Zearing Health Care Center is a secured 40-bed community located in Zearing, Iowa that specializes in caring for individuals with Huntington's Disease. Our goal is to help maintain as much independence as possible for each resident in a safe, comfortable, and nurturing environment.

- ◆ Specialized HD care that is focused on the individual's abilities, activities of daily living, and social well being.
- ◆ Courtyard available for residents to enjoy the outdoors.
- ◆ Person centered HD care that focuses on activities that include personal interests, hobbies, job experiences, and planned trips.
- ◆ Interdisciplinary team care that includes onsite physician, nursing, therapies (physical, occupational, speech, and respiratory), and social services.
- ◆ We work in partnership with the University of Iowa HD Center of Excellence.
- ◆ Comprehensive in-person assessment and assistance with transition.
- ◆ Medicare & Medicaid certified. Some private insurances may be accepted.
